Capability Statement

Electrical Project Management & Electrical Contractors

Sydney Specialist Electricians specialising in Construction, Commercial, Industrial and Large Scale Residential.

Connect Group Electrical (CGE) is a reputable and experienced electrical company dedicated to providing high quality electrical solutions to residential, commercial and industrial sectors.

The team at CGE is involved from the start of the design phase through to after sales services, ensuring consistency and satisfaction. With a dedicated team of experienced professionals and a commitment to excellence, we offer a wide range of electrical services to meet the unique requirements of our clients.

We exist to illuminate possibilities, innovate solutions, and energise excellence in electrical services.

Our mission is to be the trusted partner of choice for clients seeking top-quality electrical services.

Our passion for quality workmanship and unwavering dedication make us the ideal choice for your electrical projects. CGE is committed to delivering excellence in every project we undertake.

Our dedication to safety, quality, and customer satisfaction sets us apart as a trusted partner for all your electrical needs.

Our Promise

Delivering Excellence

We are committed to delivering excellence in every aspect of our electrical services, from design to installation, we aim for uncompromising quality.

Safety First

Safety is our priority. We are dedicated to creating and maintaining safe work environments for our team members and clients, adhering to the industry standards and regulations.

Innovation

We continuously embrace innovation and technology to provide cutting-edge electrical solutions. Our forward-thinking approach enables us to address the evolving needs of our clients.

Client-Centric Approach

We prioritise our clients' satisfaction by listening to their needs, providing clear communication, and delivering on our promises. Our client-centric approach builds trust and lasting partnerships.

Professionalism

Our team of skilled electricians is dedicated to professionalism, punctuality, and respect for our clients and their properties. We aim to exceed expectations in every interaction.

Meet the team

Luke Massad

- Director

The company's founder, Luke has over twelve years experience in the electrical industry. Over the course of his career Luke has been involved in servicing a range of commercial projects from industrial warehouses to office buildings, high end large scale residential to retail and government projects.

Thomas Sullivan

- Site Supervisor and Foreman

With seven years of employment at CGE, Thomas has grown from an apprentice to site supervisor and foreman. Thomas now operates as site supervisor working on large scale commercial projects ensuring that all electrical work meets industry standards, codes, and client specifications.

Dean Krkovski

- Site Supervisor and Foreman

Dean has a strong knowledge of electrical systems and installation techniques. He is an accomplished, results-oriented foreman with five years of experience directing small to large-scale projects. He is recognised for his ability to identify, design and deploy innovative technologies that improve systems and increase production and cost efficiencies.
